Re: Odors emitted from the Emulsicoat asphalt plant

Dear Resident:

We are currently investigating the possibility of litigation due to odors allegedly coming from the Emulsicoat asphalt plant. Due to your proximity to the facility, you may have experienced odors from this facility.

Odors that interfere with the use and enjoyment of your home may constitute a nuisance and entitle you to compensation. Any litigation filed by this office would also have the objective of preventing any future emission of noxious odors.

My law firm, Marshall P. Whalley & Associates, P.C. has practiced exclusively in the field of civil litigation in courtrooms across the states of Illinois, Indiana, Michigan and many others. Our website is www.marshallslaw.com. To better represent the neighborhood surrounding the facility, we have partnered with lawyers from Liddle Sheets Coulson¹ who have handled² numerous air pollution cases. Additional information about their law firm can be found at www.LSCcounsel.com.

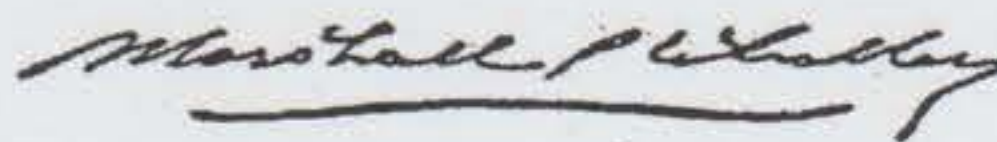

If you are interested in receiving a free consultation regarding this issue, please feel free to contact me at the number listed above. I look forward to hearing from you.

You can learn more about your rights by completing the enclosed Data Sheet and returning it to us by first class mail to the address listed above, by email to staff@marshallslaw.com, or via facsimile to (219) 769-2995.

If you are represented by another attorney about the odors emitted from the Emulsicoat asphalt plant, please disregard this letter.

We look forward to hearing from you. Together we could make a positive change in your community for you, your family and your neighbors.

Respectfully,

Marshall P. Whalley
