**NARRATIVE**

On 03/13/2020 at 1533 hours, officers and I were dispatched to [REDACTED] [REDACTED] for an armed subject call. METCAD advised a male was walking around trying to sell energy then pulled a gun on a resident. The RP said he left but, came back in a cream colored minivan. METCAD advised the male that had the gun was a Hispanic male wearing a white shirt and a green construction vest.

Officer Ruff quickly radioed the saw a tan van North Bound on Leirman JEFFERS, JOSHUA D officer's initials JJ approved [Signature] (UU2001195)

towards Main St. and the driver was wearing a green construction vest. Officer Rich and Officer Kaufman were able to get behind the van at the intersection of Lierman and Main St. The vehicle then turned on to Main St. West bound, where Officer Rich initiated a high risk traffic stop. Officer Rich, Officer Kaufman, Officer Ruff, and Officer McCormack were all at stop on Main St. prior to my arrival.

I arrived at the stop and parked my squad car behind the rest of the squad cars. I then deployed my patrol rifle and made my way up to the other officers. I stood on the passenger's side of one of the squad car and pointed my rifle at the stopped vehicle. Officer Ruff then gave verbal commands to the occupants of the vehicle and they were taken into custody by Officer Ingram and Officer Kaufman. When the occupants of the vehicle were both secured in the back of squad cars, Officer Ruff, Officer Rich, and I checked the vehicle and there were no other occupants inside the vehicle. It was later found out the occupants of the vehicle were [REDACTED] and Maggie Brinza. When [REDACTED] was taken into custody he told the officers he had a gun on his person. It was later found out [REDACTED] had a valid CCL and FOID card. See Officer's Ruff, Rich, and Kaufman supplemental reports for further details.

The other Officers remained on Main St. and I went to [REDACTED] to speak to the RP. I made contact with the RP, [REDACTED]. I asked [REDACTED] what happened prior to my arrival and she explained she worked for the apartment complex at Aspen Court and she was located in the office at [REDACTED]. [REDACTED] told me she got a call from a tenant, [REDACTED], and he told her a man was walking around the apartment complex trying to sell an energy saving plan. She explained [REDACTED] told the male he was not interested and the male started arguing with him. [REDACTED] said [REDACTED] told her the male then pulled a gun on him. [REDACTED] also stated she had another tenant, [REDACTED], come to the office and he stated he saw the male pull a gun on [REDACTED]. I asked [REDACTED] if she saw any of this occur and she told me no she was only told by [REDACTED] and [REDACTED]. I then asked [REDACTED] if she could get ahold on [REDACTED] to have him meet me at the office and she called him. [REDACTED] also gave me [REDACTED] address and phone number.

[REDACTED] then arrived at the office and I asked him what occurred at his apartment. [REDACTED] explained he was at his apartment and he was approached by a male that wanted to sell him an energy saving plan. [REDACTED] told me he

thought the apartment complex had a no soliciting policy. [REDACTED] stated he told the male to leave and started to escort him out when the male pulled a gun on him. I asked [REDACTED] what happened when the male pulled out the gun and he told me the male said "Try it mother fucker". [REDACTED] said the gun was pointed right at his chest.

I asked [REDACTED] if he could describe the gun to me and he told me "No all I saw was the business end". I asked [REDACTED] what color was the gun and he told me a black hand gun. I asked [REDACTED] what the male looked like and he told me he was wearing a fluorescent yellow vest and he had his hair in a "poof" on the top of his head. [REDACTED] said he did not know the vehicle the male arrived or left in. [REDACTED] told me he also had a female with him and she had a dark coat on. I asked [REDACTED] what happened after the male pointed the gun at him and he explained the male walked away from him down Ivanhoe with the gun in his hand. [REDACTED] told me when the male walked away he went back into his house because he had two children inside.

Officer Rich arrived at my location and I asked him to go interview the witness, [REDACTED], at [REDACTED]. Sergeant Cervantes then arrived at my location and I informed him of the information I learned from [REDACTED]. Sergeant Cervantes informed me the male with the gun, [REDACTED], explained the same statements [REDACTED] did but with one inconsistency. Sergeant Cervantes told me the female, Maggie, stated when [REDACTED] asked them to leave [REDACTED] tried to hit [REDACTED] and he pulled out the gun to defend himself.

I then went back to [REDACTED] and asked him to clarify him removing/escorting the male from his property. [REDACTED] then told me he followed the male as he walked away from his property. [REDACTED] said he was about 15 feet from his front door and the male was another 15 feet from him when he pulled the gun. I asked [REDACTED] if he ever pushed the male to get him away or was there anything physical between them and he told me no they never made contact. I asked [REDACTED] if he ever raised a fist or made any actions towards the male where he could have felt threatened and [REDACTED] told me "No". I asked [REDACTED] if he engaged in an argument with the male and he told me no I just told him to leave.

Officer Rich then came back to my location and informed me of [REDACTED] statements. [REDACTED] stated he was standing in his window and he saw the solicitors at the apartment complex. [REDACTED] said he heard the solicitors

arguing with [REDACTED] and then he saw [REDACTED] step outside and swing something at the male. [REDACTED] said the male backed up and pointed a gun at [REDACTED], while he continued backing up the whole time. See Officer Rich's supplemental report for further details.

After talking to all the officers and learning the statements of the witnesses we concluded that [REDACTED] assaulted the [REDACTED] by trying to strike him and in fear [REDACTED] pulled out a gun to defend himself.

[REDACTED] was released with no violation given and he did not want to pursue any assault charges towards [REDACTED]. The Aspen Court manager [REDACTED] requested [REDACTED] and Maggie be issued a No Trespass because of the soliciting. They were both issued a No Trespass form and [REDACTED] was released. It was found out Maggie had two valid warrants for Boon County and a Winnebago County. Officer Kaufman transported Maggie to the Champaign County Jail for her warrants.

I created a WatchGuard case file and added the officers involved body camera to that file.

NARRATIVE										

This supplemental report was generated to document the felony traffic stop of [REDACTED] in addition to documenting witness statements.

On 03/13/2020, at 1533 hours, Urbana officers responded to [REDACTED] for a report of an armed subject. While en route, METCAD advised that the involved individual brandished a firearm after attempting to convince residents to switch home energy providers. The involved individuals were observed leaving the apartment complex in a gold Dodge minivan.

At 1535 hours, Officer Ruff notified responding officers that the involved minivan was headed north on Lierman Avenue, approaching Main Street. Officer Kaufman and I were headed east on Main Street, approaching Lierman Avenue.

At 1537 hours, I observed the gold minivan (IL [REDACTED]) stopped at the intersection of Main Street and Lierman Avenue. Officer Kauffman and I pulled our squad cars to the side of the road and allowed the vehicle to pass. After passing, I positioned my squad behind the minivan and activated my emergency light. Officer Kaufman positioned his squad car beside mine to the left. Officer Ruff and Officer Jeffers positioned their vehicles behind ours. The minivan stopped without incident west of the Main and Lierman intersection, and we conducted a felony traffic stop.

Officer Ruff, Officer Jeffers, and I positioned ourselves behind my squad car and pointed our weapons at the vehicle. Officer Ruff provided verbal commands to the driver and passenger. Both occupants exited the vehicle as ordered to do so, and were detained without incident. I continued to point my weapon at the minivan until Officer Jeffers, Officer Ruff, and I approached the van and cleared the vehicle. There were no additional occupants in the van.

After securing the individuals later identified as [REDACTED] and Maggie Brinza in Officer Ruff and Officer Kaufman's squad car, I accompanied Officer Jeffers to [REDACTED] to speak to the other involved parties.

Upon arrival, Officer Jeffers instructed me to speak to [REDACTED] at [REDACTED]. Before police arrived, [REDACTED] informed property management that he observed the incident through his living room window.

[REDACTED] stated that he was standing in his living room of apartment [REDACTED], hanging up new window curtains when he observed an individual in a green vest standing on the doorstep of [REDACTED]. The resident of [REDACTED] is the reporting person, [REDACTED]. [REDACTED] stated that he recognized the individual as a solicitor from an energy company. [REDACTED] explained that [REDACTED] and the solicitor [REDACTED] were arguing in the doorway, but advised that he could not make out what was being said. After briefly arguing, [REDACTED] said that he observed [REDACTED] swing his arm at the solicitor [REDACTED]. [REDACTED] said that [REDACTED] backpedaled off the doorstep, and then pulled a firearm and pointed it at [REDACTED]. [REDACTED] noted that [REDACTED] continued to back away as he pointed the gun at [REDACTED], but advised that he heard [REDACTED] say, "I'll blow your head off." [REDACTED] advised that after [REDACTED] increased the distance between him and [REDACTED], [REDACTED] turned and walked north through the apartment complex. [REDACTED] did not have any additional details of the incident to provide.

I provided the details of [REDACTED] statement to Sergeant Cervantes and Officer Jeffers and cleared the call with this supplemental report. Please see Officer Jeffers, Officer Ruff, and Officer Kaufman's reports for additional details of the incident.

NARRATIVE				

On 03/13/2020 at approximately 1741 hours, Officer Ingram and I (riding as a two man training unit) responded to an armed subject call at ██████████. Officer's Ruff, Rich, Jeffers, McCormack and Sgt Cervantes responded as well. METCAD advised a salesman pulled a gun on a resident and drove away in a cream minivan.

While in route, Officer Ruff radioed that he saw a cream minivan driving north on Lierman toward Main. I then diverted my response to Main and Lierman. Upon my arrival, I spotted the vehicle waiting for a stop sign attempting to enter Main from Lierman. The vehicle made a left turn, westbound onto Main, and Officer Rich initiated a high risk traffic stop.

During the traffic stop, Officer Ingram and I were to place the occupants of the vehicle into custody. The driver, ██████████, was walked backwards to the rear of Officer Rich's squad car. ██████████ was placed into handcuffs, checked for proper fit, and double locked. Prior to being patted down, ██████████ stated he had a pistol, with a valid conceal carry, on his right hip. The pistol, a Taurus 9mm (Serial # ██████████), was recovered and no other weapons were found. ██████████ was then placed into a squad car.

The second occupant in the car, Maggie Brinza, was walked backwards to the rear of Officer Rich's squad car. Maggie was placed into handcuffs, checked for proper fit, and double locked. I then performed a pat down for weapons and none were found. The vehicle was then checked and there were no more occupants in the car.

After the scene was controlled, Officer Ingram spoke with Dante. Officer Ingram read [REDACTED] his Miranda rights and he stated he understood. [REDACTED] told me he was knocking on doors and trying to have customers switch energy providers. He explained to me that he is a door to door salesman for an energy company. [REDACTED] told me he knocked on the door of [REDACTED] and a resident, [REDACTED], responded. [REDACTED] explained that [REDACTED] stepped outside and allowed [REDACTED] to give his sales speech. After the speech, [REDACTED] angrily told [REDACTED] to leave. [REDACTED] turned around and began to walk away. While walking away, [REDACTED] said out of the corner of his eye, [REDACTED] brought a hand into the air behind him. [REDACTED] believed [REDACTED] raised his hand to try and hit him. [REDACTED] quickly turned around and pulled out his pistol, pointing it at the feet of [REDACTED]. [REDACTED] stated "you trippin bruh" and "I'm leavin" then proceeded to walk back to his car. [REDACTED] drove away from the scene.

[REDACTED] stated he did not want to pursue assault charges towards [REDACTED].

Officer Ingram relayed this information to Officer Jeffers and [REDACTED] was later released with no violation given. It was discovered that Maggie had two valid warrants for Boone County (LEADS #W19N2507) and Winnebago County (LEADS #W19I9359). I transported Maggie to CCSO with no incidents. Maggie was left in the care of CCSO staff. I cleared from the call and later submitted Body Worn Camera into evidence.

**NARRATIVE**

On 3-13-20 at 1533 hrs. Officers were dispatched to [REDACTED] in Urbana for a report of an armed subject. This supplemental report is in reference to Officer Jeffers's original report and articulates this reporting officers actions.

I was east bound on Washington approaching Lierman. I observed what I believed to be the suspect vehicle heading north on Lierman from Washington. The suspect vehicle was described as a tan/cream colored van, driven by a black and/or Hispanic male, wearing high visible bright green/yellow construction-like vest. The vehicle also had a white female passenger.

I called out via radio the description and direction of travel of the suspect vehicle. Responding officers set up a perimeter around the area until the command to initial a stop on the vehicle was given.

With all available resources in place and a location that was suitable I gave the command to initial a "felony/high risk" stop on the vehicle. Officers position their squad cars in a position of tactical advantage on the suspect vehicle.

An action plan was quickly discussed and responsibilities were delegated to each officer.

I gave commands to the driver of the vehicle and ordered him to exit the vehicle first. When the driver exited the vehicle I observed a lighter skinned black male wearing high visible bright green/yellow construction-like vest. I had my duty pistol removed from its holster and pointed it at the vehicle and the driver.

The male complied with all my commands and was taken into custody without RUFF, ERIC L officer's initials ER approved [Signature] (UU2001195 - #A2002623)

incident. I was informed the male had a pistol on his person. Reference Officer Kauffman's report for ~~more~~ a more detailed narrative.

The then ordered the passenger to exit the vehicle. I had my duty pistol removed from its holster and pointed it at the vehicle and the passenger. The female passenger complied with all my commands and was taken into custody without incident. I was informed the female had two warrants for her arrest. Reference Officer Kaufman's report.

I gave further commands for anyone else in the vehicle to exit. The driver and passenger advised that no one else was inside the vehicle. Officer Jeffers, Rich, and I approached the vehicle to confirm it was unoccupied. I confirmed the vehicle was unoccupied.

Once the vehicle was confirmed unoccupied I relayed our status to METCAD and the shift supervisor.

I remained on scene while responding officers met with the victim and conducted interviews with all involved parties.

I took no further action regarding this investigation.

Nothing further to report.

On 03/13/2020 at 1533 hrs, I responded to [REDACTED] with other officers for a report of an armed subject. The reporting party advised the armed subject was selling door to door and pointed a gun on the resident. The armed subject was described as a Hispanic male who wore a white t-shirt and green vest. The armed subject left the scene in a cream colored minivan with a white female. Officer Ruff found the minivan headed northbound on S Lierman Ave from Washington St. Officer Ruff stated the driver had a green vest on.

Officer Ruff, Officer Rich, Officer Ingram, Officer Kaufman, and I initiated a felony traffic stop on the vehicle at the intersection of S Lierman Ave and E Main St. I exited my vehicle and pointed my pistol towards the minivan. Officer Ruff gave verbal commands to the driver and passenger to exit the vehicle. Officer Kaufman secured both of them in handcuffs. The driver was identified as [REDACTED] and the passenger was identified as Maggie Brinze. Officers checked the minivan and found no other passengers in the vehicle.

Once the scene was secured I interviewed Maggie who was in the rear seat of my squad car. I informed Maggie she was not under arrest and merely detained until we could assess the situation. Maggie stated she understood and knew why we had stopped them. Maggie stated [REDACTED] was training her to sell energy door to door. Maggie did not know the address of the incident. Maggie stated they knocked on the door and a white male with long grey or white hair and a beard answered. The resident was identified as [REDACTED]. [REDACTED] began to talk about the product from outside the apartment, but [REDACTED] became angry and screamed at [REDACTED] and Maggie "there is the door" multiple times. [REDACTED] and Maggie walked away from the apartment. Maggie stated [REDACTED] brushed it off and laughed about the situation. [REDACTED] then followed [REDACTED], raised his open right hand and swung it towards [REDACTED] head. [REDACTED] reacted quickly and moved out of the way. Maggie stated if

I had METCAD run Maggie through LEADS and METCAD advised Maggie had two warrants from outside agencies. Officer Kaufman and Officer Ingram transported Maggie to Champaign County Jail for the warrants. I was informed █████ had a valid concealed carry permit and legal gun. █████ was released from the scene.

**NARRATIVE**

On Friday March 13, 2020 at about 1533 hours UPD officers responded to the area of [REDACTED] for a report of a solicitor ([REDACTED]) who pulled a pistol on another man ([REDACTED]). The reporting person was the leasing office manager, [REDACTED], who [REDACTED] called after the gun was pulled on him.

Officers located [REDACTED] leaving the area in his vehicle along with a passenger, Maggie Brinza. A high risk stop was conducted on Main between Hartle and Lierman. I arrived as the stop was in progress and redirected traffic away from the stop. I was positioned at Main/Glover and did not pull my weapon at any point.

After occupants of the car stopped were detained, [REDACTED] was found in possession of a handgun that he later admitted to pulling on [REDACTED] in self-defense after [REDACTED] swung at him. [REDACTED] was found to hold a valid FOID and CCL. See Officer Kaufman's report. [REDACTED] account was corroborated by Maggie and an independent witness, [REDACTED], who resides in the area the incident took place. There were no cameras in the area per management and [REDACTED] indicated that in the past solicitors were allowed on the property (despite the sign posted at the front gate) as long as they checked in with the office first. [REDACTED] advised me that she wanted Maggie and [REDACTED] trespassed from the property as they did not check-in.

After determining what took place from the officers involved, [REDACTED] was released from custody and Maggie was ultimately transported the Champaign County Satellite Jail on outstanding arrest warrants. [REDACTED] indicated to other officers that he was not concerned with being a victim of assault and wanted to put this behind him. I made the decision at that point that no enforcement action would be taken on any of the parties for this incident.

I spoke to [REDACTED] and [REDACTED] about how these incidents could have been avoided and both agreed. [REDACTED] did admit to me that he raised his arm toward [REDACTED], but did not swing at him. He understood how that could have been seen as a threat and did not deny that he was following [REDACTED] when this took place. I overheard [REDACTED] telling Officer Jeffers that he was aggressive in the way he attempted to "escort" [REDACTED] off the property.

For additional details, see the reports of other officers involved. My body worn camera footage was tagged and added to the digital case file for this incident.
