I would like any and all documents that the City of Champaign and the Champaign Police Department have regarding Jim Clark’s new employment. These documents may include emails or other communications to/from Jim Clark or other entities about work experience or references, letters of recommendations and/or communications seeking out such letters, work histories, and any other documents that may relate to this activity.”

I am attaching the records you have requested.

You have a right to request review of this response by the Illinois Public Counselor:

Yes, I would agree with that. They have not asked for those certificates yet, but if they do I know where to find you!

It was no trouble, glad you don't have to retake those courses. I think 300/400 were the most painful.

Geoff,

Would you happen to still have copies of my ICS100 & ICS700 certificates in my training file or the NIMS master file? I would really appreciate copies so I don't have to through those painful courses again...

Thanks

Jim

Todd,

Here is a copy of Jim's background questionnaire. If you can fill it out and send it back to me when you have a chance, that would be great.

Thanks,
