Subject: Urbana FOIA Request - Danny Weiskamp incident, VC 2019 emails, UPD policies, May 14 UPD Vogt/Rich Incident

Please supply the following records:

1) Any and all documents related to an incident that occurred on April 11, 2020 around 5:45pm involving a UPD response to individuals disturbing private property in the area of the 300 block of W Illinois St. Officers Kaufman, Jeffers, and Marquez initially responded. I called and spoke to Officer Osric Hayes about an additional related altercation that occurred immediately after the first group of officers had left. Then on April 13 around 6pm there was an additional related altercation wherein Officers Links and Hewkin (and other officers - I think Hale too) responded. All of these events were related to Daniel Weiskamp and his friends. I am requesting all documents, video, and audio related to this string of related events. I suspect, since all of these events were related, that UPD may have documented them as such.

2) All emails to/from Vacellia Clark from Sept 1, 2019 through Dec 31, 2019. Clark seems to have at least two email addresses (vpclark@urbanaillinois.us and hro@urbanaillinois.us).

3) A copy of the Urbana Police Department Policies. I understand there are versions posted on the City website. I am asking for unredacted versions. I see no reason why citizens would not be allowed to view the policies of their own police department.

4) Any and all documents related to an incident that occurred on May 14, 2020 around 2:50pm involving UPD (Vogt and Rich were on scene, and I think there were others) response to W Elm & S Cedar. I am requesting all documents, video, and audio.

I am requesting all documents be provided in digital format.
