Hi Bill,

Do you mind telling me who reviewed the ordinance and said it was ok? I'd like to ask them specifically how they're reconciling that claim with other cases.
I'll be polite.

Thanks,
Christopher

And was the ordinance brought to the ACLU in any official capacity by the City, or did you or someone else just decide to bring it to them?

As far as I know the City didn't consult with any ACLU attorneys.

I asked them to review it. It was at the state level and I don't know which attorney(s) reviewed it.

Hi Bill,

Are you able to provide any more information on this? I also asked Carol Leff 4 days ago and she said she'd get back to me.
It sounds like you made a direct inquiry, but I'm having trouble understanding who answered it.
Did the local ACLU discuss it at all?

Thanks,

Christopher

Yeah, I went through the local chapter. I don't know if they discussed it - I missed the last meeting, but they asked the state to review.
